explore the open range

With more than 100 to choose from, you are sure to find the perfect horse. With the Wranglers as your guides you can ride to your hearts content. Explore trails through the woods, crisscross the plateau or wander the banks of the St. Mary's River. More experienced riders can participate in fast rides, or partake in an all-day ride to the top of Bandana Point Lookout. We do everything possible to make riding fun and exciting for everyone.

A Riders Paradise

A 14,000 SQ FOOT MAIN LODGE & 20 PRIVATE CABINS

Three Bars was designed to give our guests the utmost in comfort, amenities and relaxation. The log lodge is the focal point of the ranch, with private cabins arranged around a large manicured court yard. It's the perfect place to leave the dust behind and enjoy the spirit of this first class resort.

After a full day of riding and exploring, what could be more inviting than the refuge of your own spacious log cabin. Decorated in upscale western decor, each of the 20 cabins feature rustic hand-hewn log furniture and offer a private full bath in a variety of floor plans.

The Wranglers

The Wrangling crew at Three Bars is the best in the business. All Wranglers are certified through the Dude Ranch Associations Horse Safety Program. A week at Three Bars is an adventure that you will share and remember for a lifetime, and the wranglers will be your guides through it all.

Serious about good times.

Room to relax

After a long day on the trail, guests gather at the main lodge to relax, trade stories with new friends, and perhaps join in the evening ranch activities. Dinner at Three Bars is truly an event where everyone comes together. Three Bars offers upscale traditional menus with ranch flair.

The wide open spaces aren't all outdoors.

Your Hosts
